**Changing Lives one scholarship  
at a time...Providing hope at  
Garinger High School**

In the spring of 2018 we recognized 11 Garinger scholars who completed their college education thanks to GEF scholarships.

**Our Mission... to provide scholarship opportunities for graduating students and to enhance the educational program at Garinger High School**

### Types of Scholarships

#### Garinger Scholarships for CPCC

The Foundation offers Garinger graduates attending CPCC up to \$2,000 (\$1000 from Central High Endowment) based on credit hours completed and GPA achieved.

### You can help!

- Provide scholarships for Garinger students
- Provide assistance for professional development and recognition for our great teachers
- Serve on the Foundation Board
- Assist teachers

GEF volunteers serve lunch to our faculty and staff six times a year.

### Did you know?

Garinger High School is among the highest poverty schools in the CMS system with 98% of our students qualifying for free or reduced lunch.

There is a lack of family and community support for the school.

The Garinger Education Foundation's primary focus is to provide needs-based post-secondary scholarships to qualifying students.

The secondary focus of the Foundation is to enhance the campus life of Garinger High School.

Because the Foundation is all volunteer, 98% of the funds we raise go directly toward supporting Garinger students.

**GEF...Providing success through scholarships!**

The Foundation funded and dedicated a Vietnam memorial on the Garinger campus in memory of classmates lost in the Vietnam War. Consider purchasing a paver on our "walk of honor" in memory of or in honor of a loved one.

**Download the Paver Form on our website at [garingereducationfoundation.org](http://garingereducationfoundation.org).**
