The mission of the Garinger Education Foundation is to provide scholarship opportunities to graduating students and to enhance the educational program at Garinger High School by developing and supporting initiatives that improve the educational environment for students, teachers, administrators and parents.
The Garinger Education Foundation Scholarship was truly a blessing and has helped me come a long way. This scholarship helped me get through UNCG for all four years and for that you have my appreciation and everlasting gratitude. I am proud to call myself a UNCG and Garinger alumni. If there is a way- I would like to become part of the Garinger Foundation and become involved with helping students obtain a higher education.
