The Garinger Education Foundation exists to provide scholarship opportunities to graduating students of Garinger High School by developing and supporting initiatives that improve the educational environment for students, teachers, administrators and parents.

NEW GEF-Central Piedmont Tuition Scholarship Program

Our new scholarship program is dedicated to fostering **upward mobility** and **workforce development** for graduates of Garinger High School, one of the highest poverty level schools in Charlotte, NC. By offering tuition scholarships for ANY Garinger student pursuing their education at Central Piedmont Community College, we aim to break the cycle of poverty and empower these young individuals to achieve their career aspirations. This initiative not only reduces the financial burden of higher education but also equips students with the skills and knowledge needed to thrive in today's job market, providing a stable, gainful future for them, their families, and our community. This scholarship may be used at Central Piedmont to pursue associate degrees and university transfer pathways programs, as well as shorter term diploma and certificate programs designed to equip students with the skills to directly enter the workforce.
